

SESUG 2004 CONFERENCE PROCEEDINGS

These Proceedings are the official record of the 12th annual SouthEast SAS Users Group (SESUG) Conference held in Nashville, TN on October 31 – November 2, 2004 at the Loews Vanderbilt Hotel. The final result is the product of the efforts of Conference Co-Chairs Neil Howard and Imelda Go; the Proceedings Editor, F. Joseph Kelley who assembled and organized the material; the Publications Coordinator, Dan Bruns; and the Webmaster, Greg Barnes Nelson who prepared the navigational features of the Proceedings CD.

The real heart of the conference is the over 100 presentations and the tireless and greatly-appreciated efforts of the section chairs and so many other volunteers. SAS Institute graciously produced and delivered the final product as a permanent record of the 2004 SouthEast SAS Users Group Conference. Neither SAS Institute nor SESUG is responsible for the accuracy or originality of this material.

About the Fonts

Two standard typefaces are used in the Proceedings: Arial and Times New Roman.
